Mid Atlantic Fire and Air

Subject: Sole Dealer, South New Jersey

This letter is confirmation that Mid Atlantic Fire and Air is the sole BlowHard dealer for the southern half of the state of New Jersey. Exclusive BlowHard dealers are required to actively promote, sell, and support BlowHard products at the customer level in their assigned territory. This includes being the point of contact on sales, demoing and training, equipment selection, troubleshooting, and warranty repair assistance. All inquiries and referrals received for this area will be followed up with in a timely manner and exclusive BlowHard dealer accounts must remain current.

The assigned territory reflects the dealer's ability to promote and service BlowHard products in the given area. This ability is based, in part, on the number of outside sales associates and corresponding BlowHard demo equipment dedicated to the territory, sales generation, stocking limitation(s), and the partner's willingness to use these resources to promote and service BlowHard products.

BlowHard shall remain the exclusive battery operated PPV fan promoted and offered by BlowHard exclusive dealers.

This agreement will remain in place for 1 year from the document date providing the aforementioned dealer meets the expectations listed above. BlowHard reserves the right to void this contract if the requirements outlined above are not met.

Thank you for your commitment to promote and support Blowhard products!

Sincerely,

Benjamin Hadlock
